When **You** leave, the medical facility may ask **You** to sign a confirmation that **You** have received **Treatment**.

#### Step 5

If **You** need to return for further **Treatment**, **You** will have to complete the same procedure again.

#### Important notes:

If **You** receive **Treatment** that is not **Eligible** under **Your Plan** through the **Now Health International Provider Network**, **You** are liable for the costs incurred and **You** must refund **Us** or **We** may suspend **Your Benefits** until the **Planholder** or **You** have settled the outstanding amounts in full. If **We** determine that a claim was fraudulent, **We** may terminate **You** from the **Plan** with immediate effect without refund of premiums.

If **You** receive **Eligible Treatment** within the **Now Health International Provider Network** but pay and claim for the **Treatment** received, the standard **Out-Patient Per Visit Excess** or **Co-Insurance** will apply.

**Out-Patient Direct Billing** is not available for dental, maternity and wellness, optical and **Vaccinations Benefits** unless it is specified on **Your** Membership Card.

### 3.3 When You need Emergency medical Treatment

If a **Hospital** admits **You** for **Emergency** medical **Treatment** or if the **Hospital** that is treating **Your Emergency Medical Condition** tells **You** that **You** need to be evacuated to another medical facility for **Treatment**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service as soon as possible.

By contacting **Our Emergency** assistance service **You** will give **Us** the opportunity to arrange to settle **Your Hospital** bills directly where possible. It will also ensure that **Your** claim can be processed without any delays.

#### Step 1

Contact **Our Emergency** assistance service on +356 2260 5240 or email [ClinicalService@now-health.com](mailto:ClinicalService@now-health.com). This service is available 24 hours a day, 365 days a year.

They will need **Your** name and membership number as well as the **Hospital** name, telephone number and fax number, a contact name at the **Hospital** and the name of the **Medical Practitioner**.

#### Step 2

**Our Emergency** assistance service will verify whether the **Medical Condition** **You** are claiming for is **Eligible** under **Your Plan**.

#### Step 3

If **Your** claim is **Eligible**, **Our Emergency** assistance service staff will consider **Your Emergency** admission or **Your** request for **Evacuation** in relation to **Your** medical needs.

#### Step 4

If **Our Emergency** assistance service agrees that **Your Medical Condition** meets all of the following:

- is life-threatening
- is covered by **Your Plan**
- cannot be treated adequately locally, and
- requires immediate **In-Patient Treatment**

They will make all the necessary arrangements to have **You** moved by air and/or surface transportation to the nearest **Hospital** where appropriate medical **Treatment** is available.

**Our Emergency** assistance service will also ensure that any **Eligible** costs at the destination, such as admission costs, are settled directly with the **Hospital**.

#### Step 5

Once **You** have received **Your** medical **Treatment**, if **Our Emergency** assistance service agrees that it is necessary, they will make all the necessary arrangements to repatriate **You** to **Your** appropriate destination, provided that **You** are medically fit to travel.

#### Important notes:

**We** will only pay for **Evacuation** costs that have been authorised and arranged by **Our Emergency** assistance service.

**We** will not pay for **Your Evacuation** costs if the **Evacuation** is directly or indirectly related to a **Medical Condition** which has been specifically excluded on **Your Certificate of Insurance**, or to any other **Medical Condition** or event specifically excluded in **Your Plan**.

### 3.4 Accessing elective Treatment in the USA

If **You** have selected the USA Elective **Treatment** option and need referral to a **Medical Practitioner** or **Hospital** in the USA, please follow the steps below.

If **You** are referred for **Out-Patient** diagnostics and surgery, **Day-Patient** or **In-Patient Treatment** in the USA, **You** must contact **Us** as soon as **You** can. **We** will confirm that the facility is an **In Network Medical Provider** and will try to arrange to settle the bill directly with the medical provider. If the medical provider **You** have selected is out of network or does not provide **Your** requested services on direct billing, **We** will make arrangements to find an equivalent medical provider that is in network.

#### Step 1

Five working days before **Your Treatment** (or as early as possible), contact **Our** customer service team on T +356 2260 5110 | [ClinicalService@now-health.com](mailto:ClinicalService@now-health.com)

A Clinical Adviser will verify **Your** entitlement to **Benefits** for the proposed **Treatment** and give **You** details on how to claim.

Tell **Us** the name of the medical facility, telephone number, fax number, contact name and the name of the **Medical Practitioner**.

#### Step 2

**Your Medical Practitioner** should complete a **Pre-Authorisation** Request Form. **You** can download this form from the 'How to claim' page of the website or from the secure online portfolio area.

Once **Your Medical Practitioner** has completed the form, they can return it to **Us** directly or **You** can do so using one of the methods on the form or using the secure online portfolio area in the My Claims page.

**We** will contact **You** once the arrangements have been made.

#### Step 3

When **You** arrive at the medical provider on the day of **Your Treatment**, show **Your** membership card and tell the medical provider that **We** have arranged **Direct Billing** through **Our** agents.

**We** may also ask **You** to fill in some extra forms, such as an agreement that the medical provider can release information about **You** to **Us**. **You** can access all forms from **Your** online secure portfolio area at [www.now-health.com](http://www.now-health.com).

**You** will need to pay any **Deductible, Co-Insurance** or **Out-Patient Per Visit Excess** on **Your Plan** to the medical provider before **You** leave.

#### Step 4

When **You** leave, ask the medical provider to send the original claim form and bill to **Us** for payment. **You** can track all subsequent claims activity on **Your** online secure portfolio area. Log in at [www.now-health.com](http://www.now-health.com) using **Your** username and password.

#### Important notes:

Please contact **Us** before **You** receive any **In-Patient Treatment, Day-Patient Treatment** or major **Out-Patient Treatment**. If **You** don't contact **Us** before **Your** admission, **We** may not be able to arrange to pay the medical provider directly. This might mean that **You** have to pay a deposit to the **Hospital** or pay **Your** bill in full.

If **You** go to an **Out of Network Medical Provider**, **We** will apply a **Co-Insurance** of 50% to any **Eligible Treatment** as per **Your Benefit Schedule**. **You** will be responsible for the difference, which **You** will have to pay directly to the **Out of Network Medical Provider**.

**We** reserve the right to refuse to cover any medical expenses that **You** incur in the USA that **We** have not authorised.

If **We** pay the medical provider directly for any **Treatment** that is not **Eligible** under **Your Plan**, **You** must refund the equivalent sum to **Us**.

**You** will need to pay any **Deductible, Co-Insurance** or **Out-Patient Per Visit Excess** on **Your Plan** to the medical provider before **You** leave.

### 3.5 What must I provide when making a claim?

Please make sure that **You** complete all the forms **We** ask **You** to.

**You** must send **Us** all **Your** claim information within six months of the first day of **Treatment** (unless this is not reasonably possible).

If the total amount **You** are claiming now or have claimed for **Day-Patient** and **In-Patient** (per **Insured Person**, per **Medical Condition**, per **Period of Cover**) is over USD 500/EUR 400/GBP 300, please ensure Section 3 of the claim form is completed by the treating **Medical Practitioner**.

### 3.6 Do I need to provide any other information?

It may not always be possible to assess the eligibility of **Your** claim from the claim form alone, which means **We** may sometimes ask **You** for additional information. This will only ever be reasonable information that **We** need to assess **Your** claim.

**We** may request access to **Your** medical records including medical referral letters. If **You** don't reasonably allow **Us** access to this important information, **We** will have to refuse **Your** claim. This means that **We** will also recoup any previous payments that **We** have made for that **Medical Condition**.

There may be instances where **We** are uncertain about the eligibility of a claim. If this is the case, **We** may, at **Our** own cost, ask a **Medical Practitioner** chosen by **Us** to review the claim. They may review the medical facts relating to a claim or examine **You** in connection with the claim. In choosing a relevant **Medical Practitioner**, **We** will take into account **Your** personal circumstances. **You** must co-operate with any **Medical Practitioner** chosen by **Us** or **We** will not pay **Your** claim.

### 3.7 What should I do if I also have cover on another insurance policy?

If **You** are making a claim, **You** must tell **Us** if **You** are able to claim any costs from another insurance policy. If another insurance policy is involved, **We** will only pay **Our** proper share.

### 3.8 What should I do if the Benefits I am claiming relate to an injury or Medical Condition caused by another person?

**You** must tell **Us** on the claim form if **You** are able to claim any of the cost from another person.

If **You** are claiming for **Treatment** for a **Medical Condition** caused by another person, **We** will still pay for **Benefits** that **You** can claim under the **Plan**.

If **You** are claiming for **Treatment** for an injury caused by another person, **We** obtain the right by law, to recover the sum of the **Benefits** paid from the other person. **You** must tell **Us** as quickly as possible about any action against another person and keep **Us** informed of any outcome or settlement of this action.

Should **You** successfully recover any monies from the third party, they should be repaid directly to **Us** within 21 days of receipt on the following basis:

- if the claim against the third party settles in full, **You** must repay **Our** outlay in full; or
- if **You** recover only a percentage of **Your** claim for damages **You** must repay the same percentage of **Our** outlay to **Us**.

If **You** do not repay **Us** (including any interest recovered from the third party), **We** are entitled to recover the same from **You**. In addition, **Your Plan** may be cancelled in line with section 8 in the Rights and Responsibilities section.

The rights and remedies in this clause are in addition to and not instead of rights or remedies provided by law.

### 3.9 You have a Deductible, an Out-Patient Per Visit Excess and/or Co-Insurance on Your Plan

Any **Deductible**, **Out-Patient Per Visit Excess** or **Co-Insurance** applicable is shown on **Your Certificate of Insurance** and charged in the same currency as **Your** premium.

A **Deductible**, an **Out-Patient Per Visit Excess** or **Co-Insurance** is the amount **You** pay towards the cost of a claim for any **Insured Person** on **Your Plan**.

When a claim is made, any **Deductible** is automatically deducted from the amount **We** pay in relation to **Eligible In-Patient** or **Day-Patient Treatment** first.

---

The **Deductible** applies per **Insured Person**, per **Period of Cover**. For example, if an **Insured Person** claims more than once for **In-Patient Treatment** during one **Period of Cover**, the **Deductible** will only apply to the first **Eligible In-Patient** claim if the full **Deductible** amount has already been fulfilled on the first claim. If the **Deductible** has not been fulfilled after the first claim, the **Deductible** balance will be taken from the second claim before any **Eligible** claim amount is paid.

The **Out-Patient Per Visit Excess** applies per **Insured Person**, per **Out-Patient** consultation in relation to **Eligible Out-Patient Treatment**. For example, if an **Insured Person** has more than one visit in relation to **Out-Patient** consultations for a single or multiple **Medical Condition (s)**, then the **Out-Patient Per Visit Excess** will be applied to each consultation.

A **Co-Insurance** is a percentage payment made by **You** towards the cost of an **Eligible** claim per **Period of Cover**. For example, if an **Insured Person** has 20% **Co-Insurance** applicable on **Eligible Out-Patient Treatment** and the claimed amount is USD 100/EUR 80/GBP 62.50, then the **Insured Person** will have to pay USD 20/EUR 16/GBP 12.50 and **We** will pay USD 80/EUR 64/GBP 50 towards this claim.

**You** need to submit **Your** claim form and bills, even if the **Deductible** or **Out-Patient Per Visit Excess** is greater than the **Benefits You** are claiming so **We** can administer **Your Plan** correctly. When **You** make a claim, **We** will reduce the amount **We** pay **You** until the **Deductible** or **Out-Patient Per Visit Excess** limit is used up.

### 3.10 How will claim reimbursements be calculated?

Claims reimbursements will in all cases be based on the date of **Treatment**, and in the first instance will be paid in the same currency as the claim invoice. Alternatively, the currency of the **Plan** may be requested or **We** will endeavour to pay in another currency of **Your** choice. **We** will convert currencies based on the exchange rates quoted by Citibank as of the **Treatment** date.

### 3.11 What currencies can claims be made in?

**You** have the choice of claims reimbursement in either the currency of **Your Plan**, the currency **You** incurred **Your** claim in, or another currency of **Your** choice, subject to local currency and/or international restrictions/regulations and our partners bank's transacting capabilities.

## 4.2 Pre-Authorisation

When **You** should contact **Us** before **Treatment** starts.

**Your Plan** with **Us** will only cover **Reasonable and Customary Charges** for **Treatment** that is **Medically Necessary**. It is important that **You** contact **Us** before **Treatment** for **Us** to confirm if such **Treatment** is **Eligible** under **Your Plan**.

**Pre-Authorisation** is therefore required before undertaking **Treatment** and incurring charges. The **Benefit Schedule** details those **Benefits** requiring **Pre-Authorisation** by showing “**Pre-Authorisation** ☎”.

**You** should contact **Our** customer service team on +356 2260 5110.

**Pre-Authorisation** means all costs under this **Benefit** require **Pre-Authorisation** from **Us**, which may or may not be included in **Your Plan**.

**Pre-Authorisation** is required for the following:

- All **In-Patient Treatment**
- All pre-planned **Day-Patient Treatment**
- All pre-planned surgery
- **Diagnostic Procedures** – positron emission tomography (PET) scans
- **In-Patient Psychiatric Treatment**
- **Evacuation and Repatriation**
- Mortal Remains
- Physiotherapy for the Advance, Excel and Apex **Plan** options after every 10 sessions
- Nursing Care at home
- AIDS
- USA elective **Treatment**

If **Pre-Authorisation** is not obtained and **Treatment** is received and is subsequently proven not to be **Medically Necessary**, **We** reserve the right to decline **Your** claim. If **Treatment** is **Medically Necessary**, but **You** did not obtain **Pre-Authorisation**, **We** will only pay up to **Reasonable and Customary Charges**. By **Reasonable and Customary Charges We** mean the standard fee that would be typically made in respect of **Your Treatment**.

In the case of any **Emergency**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service as soon as possible. Failure to obtain **Pre-Authorisation** for **Treatment** of an **Eligible Medical Condition** means **You** may incur a proportion of the costs.

## 4.3 Now Health International: WorldCare

WorldCare has been designed to provide cover for **Reasonable and Customary Charges** for **Medically Necessary** and active **Treatment** of disease, illness or injury. The **Benefit Schedule** below details the cover provided by each **Plan**. This is additional information that should be read in conjunction with this complete handbook.

**Benefits** aim to cover short term **Treatment** of acute episodes of **Chronic Conditions**, to return **You** to the state of health **You** were in immediately before suffering the episode, or which leads to a full recovery. If this is not possible and maintenance therapy of a **Chronic Condition**, such as but not limited to asthma, diabetes, and hypertension, is required, such cover will be provided by **Benefit 1 – Maintenance of Chronic Medical Conditions**. If **You** are unsure of **Your** particular circumstances, please contact **Our** Customer Service team before incurring any **Treatment** costs. Some cover states “Full Refund” and this means that **Eligible** claims are covered up to the annual maximum **Plan** limit, after any deduction of any **Deductible** or **Out-Patient Per Visit Excess** or **Co-Insurance** or similar condition, if **Reasonable and Customary Charges** for **Medically Necessary Treatment** are incurred.

## 6. Plan administration

---

### 6.1 The contract

The application form and any supporting documents, **Certificate of Insurance**, **Benefit Schedule** and this handbook incorporating the **Plan** terms and conditions make up the contract between **You** and **Us**.

### 6.2 Premium payment

At the start of each **Plan** year, **We** will calculate **Your** new premium and let **You** know how much it is. **We** offer a choice of monthly, quarterly, semi-annual or annual premiums, which can be paid by credit card. Bank transfers or cheques can be used for annual premiums only. Premiums are payable for each person covered and any increase will normally take effect from the annual **Renewal Date** of **Your** membership.

If **You** pay by credit card, bank transfer or cheque, **We** will collect the first premium when **Your Plan** starts and subsequent premiums when they fall due. However **You** pay **Your** premium at the moment, bear in mind that **You** can change to another method simply by contacting **Our** Customer Service team on +356 2260 5110.

**You** must pay **Your** premium when it is due. Depending on **Your** preferred payment method, **You** must pay **Us** before the **Start Date**, the due date or within 30 days of **Our** written acceptance at the latest, if a cover note is issued. If **You** do not, **We** will cancel **Your Plan** and will not pay for any **Treatment** or **Benefit** entitlement arising after the date that the premium became due.

**We** make every effort to maintain premiums at as low a level as possible, without compromising the range and quality of the cover provided. **We** review premiums each year to take account of a range of statistical factors.

Typically the cost of premiums increases at a level higher than the Retail Price Index (RPI). **You** will receive reasonable notice of any changes in premium. **Your** premium will also include the amount of any insurance premium tax or other taxes or levies which are payable by law in respect of **Your Plan**.

Premiums are based on age at the **Entry Date** or subsequent **Renewal Date**. When the **Dependant** child is an **Insured Person**, the current age shown in the premium tables will apply.

### 6.3 Eligibility

#### 6.3.1 Age limits

The maximum entry age is 79. **You** must be under 80 years of age at the **Entry Date** of **Your Plan**.

#### 6.3.2 Full medical underwriting

Full medical underwriting requires each person to be covered by **Our Plan** to complete and return an application form including the medical declaration. If **You** answer "Yes" to any of the questions, **You** will be required to provide details of the date of, and diagnosis; past/current and future known **Treatment**; details of the frequency and severity of symptoms including the date of the last episode. If available, **You** should provide any medical reports or test results with **Your** application. **You** may be required to complete a further medical questionnaire if **We** require more information. All information will be treated in strict confidence.

**We** rely on the information that **You** provide in the application form when **We** decide whether or not to accept **Your** application, and whether or not **We** need to apply special terms. Special terms are exclusions or conditions that **We** may apply to **Your** cover. If **You** submit a claim for the **Treatment** of any condition which **You** omitted to tell **Us** about here, or **You** omit to tell **Us** everything about any condition, **We** may refuse to pay that claim. **We** will tell **You** about any excluded **Medical Conditions**, restriction of coverage, and/or additional loading on **Your Certificate of Insurance**.

#### 6.3.3 Dependants

**Dependants** must be covered under the same level of **Benefits** **You** have, as the **Planholder**. For example, if the **Insured Person** has elected for the Excel **Plan** option; they can decide to cover their **Dependant** under the same **Plan** option but not Essential, Advance or Apex **Plan** options.

---

### 6.3.4 Start Date

Cover starts on the **Start Date** shown on **Your Certificate of Insurance** provided **We** have received **Your** premium payment. Depending on the preferred premium payment method, a cover note may be issued and premiums will be due within 30 days of **Our** written acceptance.

### 6.3.5 Local legislation

Membership may depend on local insurance licensing legislation in **Your Country of Residence**. **You** are obliged to meet local legislation requirements in **Your Country of Residence** at any time before and while **You** are a member of this **Plan**.

### 6.3.6 Non-Eligible residency

If **You** permanently reside in a country that is not covered by this **Plan** and which **We** have advised at **Renewal Date**, **You** are not **Eligible** for this **Plan**. For details of the excluded countries please contact **Our** Customer Service team on +356 2260 5110.

## 6.4 Adding a new Dependant

If subsequently **You** wish to add **Your** spouse, partner or child to **Your Plan**, **You** must either use **Your** online secure portfolio area at [www.now-health.com](http://www.now-health.com) or complete an add dependant application form. Cover will not start until **Your** application has been accepted by **Us** for that **Dependant** and **We** have received premium payment.

## 6.5 Adding New Borns

**You** can apply to add **New Born** babies (who are born to the **Planholder** or the **Planholder's** spouse) to the **Plan** from their date of birth. This can normally be done without filling out details of their medical history, provided **You** add them within 30 days of their date of birth. **You** can do this by applying via **Your** online secure portfolio area at [www.now-health.com](http://www.now-health.com).

However, **We** will require details of the baby's medical history if :

- the baby was born within 10 months from **Your Start Date** or **Your** spouse's **Start Date**, whichever date is later; or
- the baby has been adopted; or
- the baby was born as the result of any method of assisted conception or following any type of fertility **Treatment**, including but not limited to fertility drug **Treatment**.

In such circumstances **We** reserve the right to apply particular restrictions to the cover **We** will offer, and **We** will notify **You** of those terms as soon as reasonably possible. This may limit **Your** baby's cover for existing **Medical Conditions**. This would mean that **Your** baby will not be covered for **Treatment** carried out for **Medical Conditions** which existed prior to joining, such as **Treatment** in a Special Care Baby Unit and **You** will be liable for these costs.

## 6.6 Changing Your cover

Subsequent changes in cover can only be made at renewal.

## 6.7 Renewing Your cover

**Your Plan** is for one year, the **Period of Cover**. Prior to the end of any **Period of Cover** **We** will write to the **Planholder** to advise on what terms the **Plan** will continue, provided the **Plan** **You** are on is still available. If **We** do not hear from the **Planholder** in response, **We** will renew **Your Plan** on the new terms.

Where **You** have opted to pay premiums by continuous credit card payments or other payment method, **We** may continue to collect premiums by such method for the new **Plan** year. Please note that if **We** do not receive **Your** premium, **You** will not be covered. If the **Plan** **You** were on is no longer available, **We** will do **Our** best to offer **You** cover on an alternative **Plan**.

---

## 6.8 Continuous transfer terms/Continued Personal Medical Exclusions

**We** will maintain **Your** existing underwriting or special acceptance terms, as shown by **Your** current insurer, such as any moratoria or specific exclusions and **Your Plan** with **Us** will be governed by the terms and conditions of this **Plan**. The acceptance by **Us** of **Your** original **Start Date** will be applied to **Your Plan** with **Us** and any transfer will be subject to no enhanced **Benefits** being provided. Transfer from a Company **Plan** to an Individual **Plan** is subject to written agreement from **Us**.

## 6.9 Local taxes

**You** are liable for any local taxes and charges as established by the applicable laws. These have to be paid in full by **You** and will be shown on **Your Certificate of Insurance**.

## 7. Making a complaint

## 7.2 The Malta Protection and Compensation Fund

The Malta Protection and Compensation Fund is a special fund which was established in terms of the Protection and Compensation Fund Regulations, 2003. The aims of the fund are: (i) to pay for any claims against an insurer which have remained unpaid because the insurer became insolvent. These claims must be in respect of protected risks situated in Malta or protected commitments where Malta is the country of commitment; and (ii) to compensate victims of road traffic accidents in certain specified circumstances. Limited compensation may be available under the fund if the insurer becomes insolvent and unable to meet its obligations under the insurance contract. **You** may be entitled to compensation from the fund if **We** are unable to meet **Our** obligations to **You** under this contract. If **You** are entitled to compensation from the fund, the level and extent of the compensation would depend on the nature of this contract. Further information can be obtained from the Malta Protection and Compensation Fund, Malta Financial Services Authority, Triq I-Imdina, Zone 1, Central Business District, Birkirkara, CBD1010, Malta. **We** and the **Underwriters** will deal with all personal information supplied in the strictest confidence as required by the Data Protection Act. **We** and **Your Underwriters** collect personal information about **You** and **Your Dependents** (including health, bank account and occupation) for the purpose of establishing and administering **Your Plan**. This includes information supplied by **You**, those family members, medical providers or **Your** employer (if applicable). **Your** information may be passed to Now Health group companies administering **Your Plan**, **Underwriters**, Insurers, Reinsurers, Medical Practitioners, Medical Assistance Companies and Claims Administrators for these purposes, including those located outside **Your** country of residence. **You** have a right of access to, and correction of, information that **We** hold about **You**. Please contact **Us** if **You** would like to exercise either of these rights. Some of the information **We** collect about **You** may be classified as "sensitive" – that is information about racial or ethnic origin and physical or mental health. Data protection laws impose specific conditions in relation to sensitive information, including, in some circumstances, the need to obtain **Your** explicit consent before **We** process the information. When **You** provide information about family members, **We** will take this as confirmation that **You** have their consent to do so. As the legal holder of the **Plan** all correspondence about the **Plan**, including claims correspondence, will be sent to the **Planholder**. If any family member over 18 insured under the **Plan** does not want this to happen they should apply for their own **Plan**.

When **You** provide information about **Your Dependents** or employees and their **Dependants**, **You** represent and warrant that **You** have obtained consent from **Your** employees and their **Dependants** to provide and receive information about their personal information and the cost of their medical insurance **Plan**, but not of medical condition.

There is a legal requirement, in certain circumstances, to disclose information to law enforcement agencies relating to suspicions of fraudulent claims and other crimes. If required, information will be disclosed to third parties including other insurers for the purposes of prevention or investigation of crime including fraud or otherwise improper claims where there is reasonable suspicion. This may involve adding non-medical information to a database that will be accessible to other insurers and law enforcement agencies. Additionally, the Medical Council or other relevant regulatory body will be notified about any issue where there is reason to believe a Medical Practitioner's fitness to practice may be impaired.

Please contact **Our** Customer Services team or write to **Us** at the address on the back of this handbook if **You** wish Now Health International group companies to contact **You** via letter, SMS or email with details of other IPMI or related product and services. **We** need **Your** consent to use **Your** contact details for this purpose, which **We** will ask for before **We** start sending **You** any marketing communications. **You** do not have to give **Your** consent and **You** may withdraw **Your** consent at any time by contacting **Our** customer service at CustomerService@now-health.com or write to **Us** at the address on the back of this handbook.

**Your** health claims information may be shared by Now Health International Group companies to other Insurance Companies or Reinsurance Companies for the purposes of risk management, contract negotiations, research, development and analysis, as well as, to promote other products that may be of interest to **You**.

## 8. Rights and responsibilities

---

The application form, **Certificate of Insurance**, **Benefit Schedule** and this handbook incorporating the **Plan** terms and conditions make up the contract between **You** and **Us** with the purpose of providing **You** with **Benefit** when **You** need medical **Treatment**.

### 8.1 Your rights and responsibilities

**8.1.1** **You** must make sure that whenever **You** are required to give **Us** any information, all the information **You** give **Us** is sufficiently true, accurate and complete so as to give **Us** a fair presentation of the risk **We** are taking on (these are **Your** representations to **Us**). If **We** discover later it is not and that **Your** representations were deliberate, reckless or careless then **We** may void the **Plan** (including not returning the **Plan** premium) or apply different terms of cover in line with the terms **We** would have applied had the information been presented to **Us** fairly in the first place. These terms may increase the **Plan** premium and reduce **Your** claim(s).

**8.1.2** **You** must write and tell **Us** if **You** change **Your** address or occupation.

**8.1.3** This **Plan** is available only to people living outside their **Country of Nationality** apart from certain countries where **We** have explicitly agreed to cover local nationals, so **You** must tell **Us** immediately if **You** or any family member has gone to live in **Your Country of Nationality** – which means they will be in that country for more than six months in the year. **You** must tell **Us** if **You** change **Your** principal **Country of Residence**. If **You** don't tell **Us** **We** can refuse to pay **Benefits** claimed for.

**8.1.4** Only **We** and the **Planholder** have legal rights under this **Plan** and it is not intended that any clause or term of this **Plan** should be enforceable, by any other person including any family member.

**8.1.5** If the **Planholder** dies and there is more than one **Insured Person** aged 18 or above, this **Plan** will automatically be transferred to the oldest **Insured Person** from the date of death, who will become the **Planholder**.

**8.1.6** **You** must pay **Your** premium when it is due and in the currency of **Your Plan**. **We** will decide the amount at the start of each year and tell **You** how much it is. **You** can pay it in the way **You** have agreed with **Us**. **We** can change the amount of **Your** premium during a year to reflect any change in insurance premium tax or other taxes but **We** will tell **You** of the change. If **Your** premium payments are not up to date **Your Plan** will end.

**8.1.7** The **Planholder** may cancel this **Plan** by contacting **Us** during the 14-day cooling off period. The 14-day cooling off period starts on the day that the contract is concluded or the day that full **Plan** terms and conditions are received, whichever is the later. The 14-day cooling off period also applies from each **Renewal Date**.

If the **Plan** is cancelled during the 14-day cooling off period **We** will return any premium paid for the **Plan** providing no claims have been made on the **Plan**, in relation to the **Period of Cover** before cancellation (being no more than 14 days' cover). If **You** incur Eligible claims costs within that **Period of Cover** **We** reserve the right to require the **Planholder** to pay for the services **We** have actually provided in connection with the **Plan** to the extent permitted by law and any return of premium is subject to this. If the **Planholder** does not cancel the **Plan** during the cancellation period the **Plan** will continue on the terms described in this handbook for the remainder of the **Period of Cover**.

**We** may void the **Plan** for **You** (as the **Insured Person**) and **Your Dependants** in the following situations. If **You** or **Your Dependants**:

- Make a misrepresentation by withholding relevant information or giving **Us** incorrect information
- Make a misrepresentation by making a false or fraudulent claim
- Fail to provide any reasonable information **We** have asked for
- Fail to pay the premiums due
- If **You** move to the USA, or a country not covered by this **Plan** which may vary from time to time, of which **You** will be advised

**8.1.8** This **Plan** shall be governed by and construed in accordance with the Laws of Malta and the parties agree to submit to the jurisdiction of the courts of Malta.

## 8.2 Our rights and responsibilities

**8.2.1** **We** will tell the **Planholder** in writing the date the **Plan** starts and any special terms which apply to it. **We** can refuse to give cover and will tell **You** if **We** do.

**8.2.2** If for whatever reason there is a break in **Your** cover, **We** may reinstate the cover if the premium is subsequently paid, though terms of cover may be subject to variation. Any acceptance by **Us** is subject to **Our** written consent and **Your** acceptance.

**8.2.3** **We** can refuse to add a family member to the **Plan** and **We** will tell the **Planholder** if **We** do.

**8.2.4** **We** will pay for **Eligible** costs incurred during a period for which the premium has been paid.

**8.2.5** If **You** break any of the terms of the **Plan** which **We** reasonably consider to be fundamental, **We** may (subject to 8.2.8) do one or more of the following:

- Refuse to make any **Benefit** payment or, if **We** have already paid **Benefits**, **We** can recover from **You** any loss to **Us** caused by the break
- Refuse to renew **Your Plan**
- Impose different terms to any cover **We** are prepared to provide
- End **Your Plan** and all cover under it immediately

### 8.2.6 Break in cover

Where there is a break in cover, for whatever reason, **We** reserve the right to reapply exclusion 5.27 in respect of pre-existing medical conditions.

**8.2.7** Waiver by **Us** of any breach of any term or condition of this **Plan** shall not prevent the subsequent enforcement of that term or condition and shall not be deemed to be a waiver of any subsequent breach.

**8.2.8** If **You** (or anyone acting on **Your** behalf) make a claim under **Your Plan** knowing it to be false or fraudulent (i.e. **You** make a misrepresentation), **We** can refuse to make **Benefit** payments for that claim and may declare the **Plan** void, as if it never existed. If **We** have already paid the **Benefit** **We** can recover those sums from **You**. Where **We** have paid a claim later found to be fraudulent, (whether in whole, or in part), **We** will be able to recover those sums from **You**.

**8.2.9** **We** retain all rights of subrogation. **You** have no right to admit liability for any event or give any undertaking, which is binding upon **You**, **Your Dependants** or any other person named in the **Certificate of Insurance** without **Our** prior written consent.

**8.2.10** **We** may alter the handbook terms or **Benefit Schedule** from time to time, but no alteration shall take effect until the next annual **Renewal Date**. **We** shall notify such changes to **You** in writing by sending the details to the primary contact details **We** have for **You**. **We** reserve the right to revise or discontinue the **Plan** with effect from any **Renewal Date**. No variation or alteration will be admitted unless it is in writing and signed on behalf of **Us** by an authorised employee.

**8.2.11** **We will not provide cover nor pay claims** under this **Plan** if **Our** obligations (or the obligations of **Our** group companies & administrators) under the laws of any relevant jurisdiction including Malta, UAE, UK, European Union, the United States of America, United Nations resolutions, trade or economic sanctions or international laws sanctions, prevents or restricts **Us** from doing so.

**We will not provide You with any services or Benefits** including but not limited to acceptance of premium payments, claim payments and other reimbursements if in doing so, **We** violate applicable law, regulation, code or court order or are or will be otherwise sanctioned, prevented or restricted.

**We may terminate Your Plan** if **We** consider **You** or **Your** directors or officers as sanctioned persons, or **You** conduct an activity which is sanctioned, according to trade or economic laws & regulations.

**8.2.12** This **Plan** is written in English and all other information and communications to **You** relating to this **Plan** will also be in English unless **We** have agreed otherwise in writing.

**You** have the right to request the policy documentation in the official language of the country of your residence. Please feel free to contact **Our** customer service at CustomerService@now-health.com or write to **Us** at the address on the back of this handbook.
