

**AOC Insurance Broker** has launched a mobile application (**AOC Expatcare**), which allows users to compare international health insurances from different insurance providers in real time.

AOC Insurance has also designed an exclusive loyalty program for its insureds. This program allows users to earn points convertible into rewards.

### **How does the AOC The Family reward works?**

- ❖ Sign up for AOC The Family and fill out the webform [here](#)
- ❖ Download AOC Expatcare application through [Google Play](#) or [Apple store](#)
- ❖ Sign up / Gmail

AOC EXPATCARE APPLICATION VIDEO Click [here](#)

### **How to earn the points?**

**AOC Expatcare App users gain by doing one of the following actions:**

- Purchasing an insurance with AOC Insurance is equal to 500 points
- Recommend your friends and family members is equal to 300 points
- Renew your existing insurance policy is equal to 500 points (If you are renewing with different plan is equal to 300 points)
- Use MEDICUS and its health program (Preventive & Predictive care) is equal to 500 points

The cumulative points can reach three different levels: **SILVER, GOLD, PLATINUM**

### Reward Types:

AOC Insurance customers can convert their points into discount, either on their insurance with AOC policy or in the [GARMIN](#) online store. Detail below:
